Why Join KCGA?

If you're passionate about agriculture and want to protect the future of the Kansas corn industry, it's time to join the Kansas Corn Growers Association. Your membership gives you a seat at the table on issues that impact your farm. One person can't do it alone. But together, we can impact key agriculture-related issues, and build a strong future for Kansas corn farmers.

WHAT DOES KCGA DO FOR ME?

- Works with elected officials to propel **legislation** that benefits corn farmers
- Represents growers in **regulatory** issues to preserve your freedom to farm
- Keeps you **informed** and provides opportunities to impact actions that affect your farm and your farm's future
- **Promotes** corn and corn products like ethanol, livestock and more

DID YOU KNOW?

- Your KCGA membership makes you a member of National Corn Growers, expanding the **benefits** being a member
- **Checkoff** dollars cannot support legislative and regulatory efforts. Joining KCGA is the only way to help support Kansas corn farmers in Topeka and Washington, DC

ADDITIONAL MEMBER BENEFITS

- **Grow** with KCGA's young grower program, collegiate programs, and grower events
- Receive a **free bag of seed** with a 3-year membership
- Get **discounts** through KCGA and NCGA perks programs
